

Extract from the minutes of the college pedagogical council

dated November 1, 2024, No. 2

On issue No. 6 - Uniform requirements in the field of ICT and ensuring information security.

A decision was made:

1. Teachers and employees of the college should familiarize themselves with the information security policy, subsequently not violate the rules and comply with the uniform requirements in the field of ICT.
2. The system administrator and the specialist responsible for video surveillance should ensure compliance with the uniform requirements in the field of ICT and ensuring information security.
3. Teachers and employees should create an e-mail on the Kazakhstani resource mail.kz in accordance with the uniform requirements of information security.

Voted: unanimously.

Chairman: _____ Katkenov K.A.

Secretary: _____ Kaipbaeva Zh.Sh.
